

MANUFACTURERS REPRESENTED

Air & Gas Filtration Products

Underfloor Air Distribution Solutions

Packaged Terminal Air Conditioners (PTACs)

Industrial & Marine Corrosion Protection

Specialized Environmental Air Conditioning Systems

Fixed Core Energy Recovery products

Venturi supply and exhaust valves

absolute comfort

VRV IV-S Multi-FCU Air Cooled Heat Pump Systems
VRV IV Multi-FCU Air Cooled Heat Pump Systems
VRV IV Multi-FCU Air Cooled Heat Recovery Systems
VRV-WIV Multi-FCU Water Cooled Systems
100% OA Processing Units
Single FCU Mini Split Systems (Cooling & Heat Pump)
Multi-FCU Mini Split Heat Pump Systems

Package Rooftop Units
Air Cooled Condensing Units
Air Cooled Scroll Chillers (30-225 Tons)
Air Cooled Screw Chillers (160-560 Tons)
Water Cooled Centrifugal Chillers (150-2,300 Tons)
Water Cooled Mag Bearing Cent Chillers (150-1,500 Tons)
Water Cooled VFD Screw Chillers (120-300 Tons)
Water Cooled Scroll Chillers (30-180 Tons)
Water Cooled Centrifugal Tempifiers
Indoor Modular and Semi-Custom Air Handlers
Rooftop Modular and Semi-Custom Air Handlers
Horizontal & Vertical Fan Coil Units to 3,000 CFM
Rooftop Commercial & Applied Type Package Units
Rooftop 100% OA Units with Mod Hot Gas Reheat Coil
Self-Contained DX VAV Vertical Water-Cooled Units
Water Source Heat Pumps
Chilled Water Classroom Unit Ventilators

Unitary & Light Commercial Package Rooftop Units
Unitary & Light Commercial Air-Cooled DX Split Systems

Variable Frequency Drives (Inverters)

Desiccant Dehumidifiers (50-30,000 cfm)

Single and Multi-zone Ductless Split Systems
Chilled Water Air Handlers (2-pipe and 4-pipe)

Energy savings. Air quality.

Variable Air Volume Terminals
Blower Coil Vertical and Horizontal
Semi-Custom Fan Coil Units
Semi-Custom Vertical Stacked Fan Coil Units

EvapTech, Inc.
A wholly owned subsidiary of Danfoss, Inc.

Field Erected Fiberglass & SS Cooling Towers

Refrigerant Gas Monitoring Systems
Alarm Indication Equipment
Notification / Warning Signage
Self-contained Breathing Apparatus & Accessories

Water Conserving Adiabatic Cooling

Electric Duct Heaters

Air Rotation HVAC Systems

Double Skinned Air Handling & Fan Coil Units

Custom HVAC Systems

ElectroFin® Heat Transfer Coatings
Insitu® Coil & Cabinet Protection

3711 West Walnut Street • Tampa, FL 33607
Phone 813.879.5790 • Fax 813.874.9553

MANUFACTURERS REPRESENTED

NuTech

Hydronic Specialty Products

OXYGEN 8

Low Profile DOAS Solutions

PHASECHANGE ICESTOR

ENERGY SOLUTIONS
Rectangular ice storage tanks

Plasticair

Skyplume Laboratory Exhaust Fans
FRP Centrifugal and Axial Fans
Scrubbers and Scrubber Fume Hoods
Perchloric Acid Exhaust Systems

ECM Fan Arrays (Factory or Field Assembled)

REYMSA COOLING TOWERS, INC.

All fiberglass cooling towers (direct or gear drive)

FläktGroup SEMCO

Energy Recovery Equipment with DDC Controls
Chilled Beams with a variety of configurations
Chilled beam pump modules
Fire and acoustical panels, acoustical silencers

Packaged Condenser Water Pumping Systems

THERMOPLUS AIR

Electric Duct Heaters

Plate frame heat exchangers

UltraViolet Devices, Inc.

Ultra Violet Light Systems

Floor, Hanging and Neoprene Pad Isolators

We furnish equipment, parts, service and training for all commercial, industrial, and institutional heating, ventilating, and air conditioning systems

Training and Professional Development Courses Offered by Carroll Air Systems:

FBPE Certified Courses

Critical Room Environmental Control
Building and Rooftop Equipment Wind Loads
Duct Leakage Class
Ducted HVAC Equipment Sound Rating
Variable Frequency Drives
Variable Refrigerant Flow
LEED Building Design and Construction

Daikin North America Certified Courses

VRV-IV Installation
VRV-IV Commissioning
VRV Service & Troubleshooting
VRV Controls Installation and Commissioning
iTouch Manager Commissioning

Daikin Applied Integrated Solutions Certified Courses

Integrated Systems
Intelligent Equipment

Carroll Air Systems Courses

Rebel Rooftop Unit Commissioning & Microteach III
Controller Operation
